HUNGER ISSUES IN THE
COMMUNITIES WE SERVE.

2009/2010
ANNUAL REPORT

Letter from Board Chair/
President & CEO

Dear Friends,

Many people believe that the problems associated with hunger are confined to small pockets of society, certain areas of the country, or certain neighborhoods, but the reality is much different. People struggling with hunger are often hard-working adults, children and seniors who simply cannot make ends meet and are forced to go without food for several meals, or even days.

Never in our history have we seen so great a need among families and individuals seeking food assistance—and so many for the first time. As we found through Hunger in America 2010, we are providing emergency food assistance to an astonishing 213,200 different people each year, a 33 percent increase since 2005.

Thanks to the generous support of our committed food and financial donors, and corporate and foundation partners, Second Harvest Food Bank of Middle Tennessee continues to rise to the challenge of feeding more people in the 46 counties we serve. In 2010, our food bank distributed 13 million meals, providing not only food, but also hope to our neighbors in need. Still, we must do more—and we cannot do it without your support.

We remain committed to finding ways to get more meals on the tables of those in need and are steadfast in our efforts to collect more food and funds, expand our programs, raise awareness, and implement innovative ways to serve our communities. Your continued partnership is critical to our mission of feeding hungry people and working to solve hunger issues in the communities we serve.

Programs

Partner Agencies

The Food Bank distributes food and other products to more than 400 partner agencies in 46 counties in Middle and West Tennessee. Partners include food pantries, soup kitchens, shelters, childcare facilities, senior centers, group homes and enrichment centers.

Emergency Food Box Program

The Food Bank distributes emergency food assistance to more than 55,000 individuals in Davidson County through 17 partner agency locations. The food box provides two - three days of staple food items based on the number of people in the household.

Mobile Pantry

The Food Bank partners with groups and individuals to distribute food directly to individuals and families in need during a large-scale one-day distribution. A typical Mobile Pantry provides one - two weeks of groceries to approximately 200 families.

Kids Cafe

Kids Cafe provides free meals and snacks to at risk children through a variety of community programs both during and after school and in the summer months.

BackPack Program

The BackPack program provides easy-to-prepare food to at risk children on the weekends and school breaks when other resources are not available.

Middle Tennessee's Table

The Food Bank rescues, sorts and distributes frozen meat, dairy, produce and dry groceries from more than 200 grocery stores and food donors.

Project Preserve

Project Preserve leverages economies of scale, manufacturing and logistics expertise to provide a comprehensive co-op and manufacturing program to our partner agencies and the Feeding America Network of Food Banks. The manufacturing operation enables the Food Bank to produce boil-in-a-bag and tray pack meals and assemble custom disaster relief and feeding program products.

Culinary Arts Center

The state-of-the-art food preparation facility is used for food safety education, culinary demonstrations and classes and is also home to First Harvest Café each Friday from 11 am - 1 pm.
