

# Make a Real Difference

## Host a Virtual Food Drive

In Middle Tennessee, 1 in 7 people, including 1 in 5 children, is unsure of where their next meal is coming from. Hosting a Virtual Food Drive is an easy and fun way to make a significant impact on your neighbors that are struggling with hunger.

### Customize Your Campaign

In just a few steps, you can personalize your Virtual Food Drive to reflect your fundraising goals. Share your story of why you are joining the fight to end hunger to encourage others to support your efforts.

### Worry- Free

With a Virtual Food Drive, you don't have to worry about where you will store donations, and participants don't have to worry about forgetting their donations at home. Your friends, family and colleagues can conveniently donate to your Virtual Food Drive on their computer at any time.

### Transportation and Fuel Costs Are Saved

By cutting down on transportation expenses, Second Harvest is able to feed even more hungry people. You also save time and money on fuel by not needing to deliver your donation to the food bank.

### One Dollar Goes a Long Way

For every \$1 you raise, Second Harvest can provide 4 meals to hungry people in our 46-county service area.
